

# What's in store

Look out for these great products!

## Aromababy

Completely aroma-free (no essential oil/no fragrance), these gentle products loaded with ingredients including avocado, evening primrose and rosehip oils, are suitable for even the most sensitive skin types including skin affected by eczema. Available in leading pharmacies, Macys, Kids Central as well as other premium, natural baby care outlets, or online at [www.aromababy.com](http://www.aromababy.com).

## Lumpee Bumpee

makes maternity wear fun & affordable (\$29.00) by offering a range of witty tees, designed to accentuate a woman's bump, rather than hide it. Clever slogans include "Watermelon Smuggler", "Does this baby make me look fat?" & "Mind the Bump". New Daddy range just arrived. Visit [www.lumpeebumpee.com.au](http://www.lumpeebumpee.com.au)

**Top Secret Maternity** have designed a range of maternity wear that have a shaped built-in nursing bra with a privacy layer that actually covers the top of the breast during breastfeeding, making them the most easy to use and discrete breastfeeding garments on the market. It's fashion with FUNKtion! For more info log onto [www.topsecretmaternity.com.au](http://www.topsecretmaternity.com.au) or phone 03 9704 8677.
